FALL 2004 EVENTS

SEPTEMBER 22, *The Courts and the Election*

The panel discussion included remarks by **Herman Schwartz**, Washington College of Law; **Kate Martin**, Executive Director, National Center for Security Studies; and **Glenn Sugameli**, Senior Legislative Counsel, Earthjustice. This was followed by a book signing by Herman Schwartz of *Right Wing Justice: The Conservative Campaign to Take Over the Courts*. Combining a scholar's sense of history with the immediacy of eye-witness testimony, *Right Wing Justice* is both a sobering read and a vital wake-up call to all American citizens.
